

Hints for happy **PARKING** at Cedars UU Center

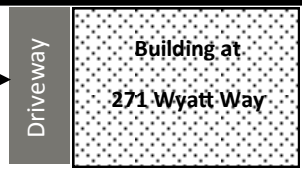

284 Madrona Way NE, Suite 128, B.I. Phone: (206)780-0373 www.CedarsUUchurch.org

- Carpool whenever possible (or walk/bike).
- No Parking on Madrona Way itself or South of it (toward Mobile Home Park), unless for temporary loading/unloading.
- When anticipating larger attendance (say, over 10), if you know your way around and are able, please park at outer edges, so those less familiar and in need can use the closer parking spots.
- Leaders: at large larger events, providing a guide person outside the Cedars Center can assist arrivals.

Note that Parking “slots” are numbered on pavement, sometimes faintly. Signs posted in slot indicate ownership.

AUXILIARY Parking: When necessary, there is lots of street parking on Wyatt. You can walk down the wide driveway of the Office Building at 271 Wyatt, pass carefully through the line of small trees, and walk left around to the front of our building.
