

Religious Education Visitor Sign-In

Cedars Unitarian Universalist Church

*We welcome your whole family
to our church community!*

Families are welcome to visit the RE program three times before registering their children/youth for the program. Please fill out this form for all of your children/youth only once, and give it to the classroom volunteer, Religious Education Committee Member or the Director of Religious Education.

The next time you visit, this form will be in the visitor section of the attendance book located in each child/youth's classroom. The teachers and caregivers will sign in your child/youth.

Please escort your children Infants through 5th grade on each visit. After you have officially registered for the program, children in grades K-5th can come to class unescorted.

*Please let us know of any changes regarding allergies or special needs. The Director of Religious Education (DRE), is available to answer your questions about the program and the office will mail a welcome packet including forms and information on the program. Registration forms can also be obtained from a teacher, the R.E. Welcome table or the Director of Religious Education, **Jennifer Conway**. At **DRE@cedarsUUchurch.org**.*
