Update on In-Person Services

Starting on **October 24th**, Cedars will begin holding in-person services at the Island School. These services will take place on the 1st and 3rd Sundays of the month with virtual services continuing to take place on the 2nd and 4th Sundays of the month. In months with a 5th Sunday, we will alternate between in-person and virtual services. This alternating schedule was developed in consultation with the Worship Technology Team, Worship Associates, Reopening Task Force, and the Cedars Board. It is meant to accommodate those who have expressed a need for in-person worship, as well as those who are unable to join in person or who do not feel comfortable doing so.

For safety, we need to limit participation for in-person services to those **who have been fully vaccinated**. You will be asked to verify your vaccine status at the first in-person service you attend, so please be prepared with your vaccination card. All in attendance will be required to wear masks. Doors and windows will be open for ventilation. Dress warmly! Outdoor childcare will be provided for children who are unvaccinated or wish to play outdoors.

In addition, we anticipate needing to limit the number of attendees for in person services to comply with Covid room capacity restrictions. We are still looking into the number of attendees that we can accommodate as well as how we will have people RSVP for Sunday services. More details on this will be shared as they are known.

Beyond this, our plan is to offer Zoom-based "mini-gatherings" on the Sundays that in-person worship happens. These gatherings

Be a part of Worship at Cedars

As we prepare to enter the fall and gear back up for the program year, we are looking for individuals ready to help with the creation of weekly worship. There are a few important roles that we are hoping to fill and find people willing to join the rest of the team in meaning making work we do.

Preaching: Once a month Rev. Zackrie is away from Cedars, and we need people willing to preach and lead services on these dates. This is your chance to share your thoughts on a topic with the rest of the community. Preaching can also provide you with a chance to deepen your own understanding on a topic as you research, write, and reflect in preparation.

Worship Tech Team: As we continue to navigate the presence of COVID-19 and begin conceptualizing what comes next with our online presence, we need people to assist with the technology side of things. Currently we hope to find a few individuals to help with recording and video editing. We also need help running the sound system at in-person services. No prior experience is necessary, but it does help to have a familiarity with technology and a willingness to learn.

Worship Associates: In this role you get a chance to work with Rev. Zackrie and other service leaders to reflect on a topic and share your voice with others. This is a great opportunity for people to develop as a public speaker or experiment with creative ways of conveying ideas. In addition, being a worship associate is a great way to become more widely known within the Cedars community.

If you are interested in joining the worship team in any of these roles or have questions, please email **Rev. Zackrie** at minister@cedarsuuchurch.org

will take place at 12pm and will be a chance for people to check-in, reflect, and share joys and sorrows.

Our goal is to establish a hybrid in-person/virtual option for Sunday services starting in 2022. We need some time to figure out logistics and learn more about the technology required. This will be a process and there might be a few bumps along the way, but we feel confident that in time we will find a new rhythm.

Thank you for your patience as we work out the complexities and variables needed to navigate a safe and appropriate path forward that accommodates the varied needs of our Cedars community.

And gratitude to all those who helped formulate this plan!

Faith Formation at Cedars

Faith is just around the corner, and that means children in our congregation will be returning to school. Our congregation's Faith

Formation (AKA Religious Education) programming generally follows the school year, which means preparing for ways to bring all ages together. We have several unique challenges ahead. The surges in COVID-19 and unavailability of vaccines for all ages means being cautious on how we gather in person.

We are also looking for a Director of Faith Formation to lead the development and coordination of our program. Looking to the near term, a group is exploring ways to serve our children so they have an active sense of belonging in the congregation and a developing understanding of Unitarian Universalist Values. We all long for a time when we can be present together, whether virtually or in person, and the group is forming a way of doing just that.

The search for a Director of Faith Formation is taking an interesting turn this year. Both our congregation and Kitsap UU Fellowship are looking for a Director. In a spirit of collaboration, our two congregations are meeting to see if there are opportunities to create a better program together than we might separately. Ways in which we could collaborate include sharing programming ideas, selecting curriculum or specific activities, and perhaps even sharing a staff person. Sharing a staff person could attract someone looking for a full time position whose career path includes being a professional Religious Educator. We are in the early stages of understanding how we can collaborate, but there is excitement about the opportunity.

Religious Education and Faith Formation are integral to who we are as Unitarian

Super Supper Help Needed

Our Social Action efforts are resuming and we need your help!

Super suppers, a free meal for those in need provided by members of the Interfaith Council, resumed this July. Cedars in partnership with Kol Shalom offers dinners on the last Tuesday of each month. Because September is the Jewish holy month, Cedars is preparing the entire meal and Kol Shalom does the same for us in December.

We now have a regular sign up for you to use each month so that all in our congregation

If you have questions, please contact **Jeff Philip** (philip.jeff@gmail.com).

Faithful Practices Reading Group

How's your prayer life? What spiritual practices ground you? Where do you find meaning throughout your week?

If you find yourself struggling to answer these questions, you're not alone. Many people struggle to talk about the spiritual dimensions of their life. If this describes you or you're simply interested in learning more about spiritual practices from a UU perspective, consider joining Rev. Zackrie for a group reading of the book "Faithful Practices: Everyday Ways to Feed your Spirit."

This group will meet on zoom from 2-3:30 p.m. on the following dates:

October 30th
November 20th
[December off]
January 22nd
February 19th

If you're interested in participating in this group, please take a moment to fill out the registration form [linked here](#). Registration will close on September 20th.

The book **Faithful Practices** can be purchased from the UUA bookstore [linked here](#).

If you would like to participate in this group but need help purchasing the book, please contact Rev. Zackrie at minister@cedarsuuchurch.org

Cedars Creativity Fair 2021

See What Others Have Been Doing To Cope with Social Isolation

Our identity as a congregational community has been weakened by the COVID-19 pandemic, and one response has been to re-imagine virtual versions of the several after-service **Creativity Fairs** that were held in Webster Hall in recent years.

Organized to provide opportunities to see and enjoy artful products and demonstrations of the creativity present in our talented and capable congregation, those fairs helped us get to know and appreciate each other.

Please join the fun by sharing what you have been doing and enjoy the growing show using the link below!

In-Person Safety at Cedars

As recently announced, Cedars is implementing special safety practices for Covid-19 protection during all in-person events planned until further notice.

Detailed information and instruction about these practices is available on the [Cedars website](#), and the basic thinking about masking has been summarized in the illustrations at the bottom of this newsletter.

Guidelines for using Cedars Center

The Cedars Board is making the following restrictions to reduce the risk of COVID-19 transmission to the few people who must enter the Cedars Center to keep us functioning.

1. Permission from staff or Board Member is required for entry.
2. Sign in when entering and sign out when leaving.
3. Use hand sanitizer when entering.
4. Wear a mask and practice social distancing.
5. Avoid touching your face.
6. Please disinfect high contact surfaces when you enter and before you leave: door handles, light switches, computer mouse and keyboard, desks, tabletops, countertops, sinks, toilet, and shared equipment such as pens, staplers, and clipboards.

Thank you for helping to keep us safe!

to say, we meet to discuss books that can intrigue and might enlighten us.

Our November selection, proposed by Donna Moore, is ***Why Religion? – A Personal Story*** by Elaine Pagels.

Over many thousands of years, our understanding of the world has advanced exponentially. But our sense of mystery remains, and we still seek assurances that science and reason cannot provide. Elaine Pagels opens her new book with the question, "Why is religion still around in the twenty-first century?" As a distinguished scholar of Christianity, she obviously knows some academic explanations, but in *Why Religion?* she suggests a simpler, more poignant answer.

We will discuss the book (via Zoom) on November 9th. For more information contact [Alan Miller](#) or [Mary Romeo](#).

Social Action News

Kitsap Immigration and Assistance Center has released the following:

We are paying close attention to the events unfolding in Afghanistan. Like all of you, we are heartbroken for the human beings caught in this humanitarian crisis, especially women, girls and LGBTQ+ Afghans.

The Puget Sound region will be receiving an influx of refugees in the next days and weeks. There are numerous ways you can help with their resettlement. Both temporary and long-term housing is an urgent priority. Additionally, volunteers are needed to provide host homes, transport people from the airport, help settle people into apartments or assist with English language classes. Donations of household and other necessities, as well as cash donations are also needed.

Here are some committed organizations that are providing assistance, and all need volunteers and financial support.

The International Rescue Committee: This agency has a webpage with updated on-the-ground information, wish lists of items to purchase for "Welcome Kits" ([linked here](#)), and volunteer opportunities.

World Relief, Seattle: This agency is calling for volunteers and donations ([linked here](#)) and has information for the Afghan community as well as volunteers and partners.

The Lutheran Immigration and Refugee Service: This organization is seeking volunteers for airport pickups, mentoring, tutoring, and meal deliveries. They also need financial donations ([linked here](#)).

Preparing for Possibilities

Bainbridge Prepares has announced that its sixth annual **Day of Preparedness** will be held on Saturday September 25th. As explained by the founder Alan Graham, "It is specifically designed to lift the chronically homeless off the streets of the Austin area by offering them a place to call home, helping them to heal from the ravages of life on the streets, and allowing them to rediscover a purpose in their lives."

A trailer and more information is available at this link: [Meaningful Movies](#)

Online screening of the film will be via Zoom on **Monday, October 18 at 6:30 p.m.** at this link: [Community First](#)

Join the Pastoral Care Team

Caring for one another is a core Unitarian practice, and the Cedars Pastoral Care Team is central to this ministry. We can offer a listening presence, connection, and hope to members of our Cedars community in times of need. We send cards, make phone calls, provide information resources and support family and friends who are caregivers.

The Team meets just once a month with our minister. We are now expanding the Team, and we would love to have you join us.

For more information about the Pastoral Care Team, please contact our office administrator, Carolyn Kerns at office@cedarsuuchurch.org.

Pastoral Care Concerns

In discussion with the Pastoral Care Team, **Rev. Zackrie** confirmed that he would appreciate being informed if anyone in the Cedars community tests positive for Covid-19.

The information will remain confidential if the person so wishes, but Rev. Zackrie's awareness could help with contact tracing as well as determining what support and possible services could be offered by Pastoral Care Team members and perhaps the larger Cedars UU community as well.

Morning Reflection Sessions

During Morning Reflection, led by **Rev. Zackrie**, participants are invited for meditation

and discussion of brief sections from a selected and inspirational source.

Last spring, the group finished *Kahlil Gibran's The Prophet* and decided to take the summer off while considering its next selection.

Watch for a late summer announcement about reconvening.
