Rev. Zackrie Vinczen

Live-Streaming Services

Our Congregational Mission

Worship with open hearts

Last Sunday's Worship Service was our first virtual service to take place in the familiar environment of Webster Hall rather than Cedars Center. It was produced and live-streamed to our isolated-at-home congregation by the "Tech Team" of **Rhonda Peacock** and **Carolyn Kempkes** with new equipment first used to share the previous week's long-awaited in-person Reopening Service with those unable to attend.

Titled "**Where We Have Been and Where We Are Going: A Conversation**", the latest service featured **Rev. Zackrie** and our Board of Trustee Co-Presidents, **Mike Cox** and **Kassia Sing** in a discussion of the challenges we've faced over the 20 months of our pandemic-enforced isolation and home-viewing of recorded services. How we've been affected and what we need to begin doing to regain our sense of congregational community and vitality was explored.

The live-streamed service can be seen using this [LINK](#).

In order to satisfy Covid safety requirements, all visitors must wear a mask and be vaccinated to sit indoors, but outdoor seating is available for anyone interested. The indoor seating capacity is limited so pre-registration is required at <https://rsvp.church/r/epNO5imY>. Dress warmly since doors and windows will be open.

Children under 12 can choose to be with **Archer Philip** and **Erin Kempkes** for an hour of fun; parents need to sign up to reserve spots for kids.

Verify Your VAX

Rev. Zackrie Vinczen

Be a part of Worship at Cedars

As we prepare to enter the fall and gear back up for the program year, we are looking for individuals ready to help with the creation of weekly worship. There are a few important roles that we are hoping to fill and find people willing to join the rest of the team in meaning making work we do.

Preaching: Once a month Rev. Zackrie is away from Cedars, and we need people willing to preach and lead services on these dates. This is your chance to share your thoughts on a topic with the rest of the community. Preaching can also provide you with a chance to deepen your own understanding on a topic as you research, write, and reflect in preparation.

Worship Tech Team: As we continue to navigate the presence of COVID-19 and begin conceptualizing what comes next with our online presence, we need people to assist with the technology side of things. Currently we hope to find a few individuals to help with recording and video editing. We also need help running the sound system at in-person services. No prior experience is necessary, but it does help to have a familiarity with technology and a willingness to learn.

Worship Associates: In this role you get a chance to work with Rev. Zackrie and other service leaders to reflect on a topic and share your voice with others. This is a great opportunity for people to develop as a public

Exciting News! Parent Chalice Circle Forming

November 14th
7:00-8:00 pm
Join us virtually on
Zoom

The **Parent Chalice Circle** is a new Cedars venture of the **Faith Formation Committee**. The idea is to create a space where parents, grandparents, and caregivers can meet regularly to share in the questions and experiences of nurturing faith formation in our children and in our own lives.

How can we support the spiritual lives of our children, teens, and young adults as they grapple with the day-to-day challenges of growing up as well as with big issue questions such as Covid, racism, climate change, politics, religion, reproductive justice, nuclear power, war?

We will meet once a month and utilize the UU Principles as touchstones and reference points for exploration.

Contact **Cory Munson** for more information.

All-Ages Fishline Service Project December 5th, 12:30 to 5:00 p.m. Fishline, Poulsbo

Join us on Sunday, December 5th for an all-ages, family-friendly afternoon of service at Fishline, which provides food, emergency services, and resources to those in need. Activities will include packaging and sorting items, restocking shelves, grinding coffee, and other tasks in their Poulsbo warehouse.

Fishline will provide a brief orientation and help assign and coordinate tasks (please try to arrive a few minutes before the start time). Please also remember to wear a mask, warm clothing, and closed-toed shoes. The minimum age for warehouse tasks is 12, but children under 12 will be able to contribute by making notes or cards for those receiving Fishline services.

RSVP: Please email **Hugh Handeyside** (hugh.handeyside@gmail.com) if you're intending to join, so we can get a rough head count beforehand.

Contact **Carol Ann Davidson** for more information.

Mission: JOY

Interfaith Power & Light network has been offered a unique opportunity to share the new film, **Mission: JOY**.

Deeply moving and laugh-out-loud funny, this film is a documentary with unprecedented access to the unlikely friendship of two international icons who transcend religion: His Holiness the Dalai Lama and Archbishop Tutu. In their final joint mission, these self-described mischievous brothers give a master class in how to create joy in a world that was never easy for them. They offer neuroscience-backed wisdom to help each of us live with more joy, despite circumstances.

Inspired by New York Times bestseller *The Book of Joy: Lasting Happiness in a Changing World*, the film showcases the exchange between these two Nobel Peace Prize winners that led to that book.

The film will be available for free online viewing at home with family and friends, November 19 – Dec 2.

Cedars Creativity Fair 2021

See What Others Have Been Doing To Cope with Social Isolation

Our identity as a congregational community has been weakened by the COVID-19 pandemic, and one response has been to re-imagine virtual versions of the several after-service **Creativity Fairs** that were held in Webster Hall in recent years.

Organized to provide opportunities to see and enjoy artful products and demonstrations of the creativity present in our talented and capable congregation, those fairs helped us get to know and appreciate each other.

Please join the fun by sharing what you have been doing and enjoy the growing show using the link below!

Social Action News

Kitsap Immigration and Assistance Center has released the following:

We are paying close attention to the events unfolding in Afghanistan. Like all of you, we are heartbroken for the human beings caught in this humanitarian crisis, especially women, girls and LGBTQ+ Afghans.

The Puget Sound region will be receiving an influx of refugees in the next days and weeks. There are numerous ways you can help with their resettlement. Both temporary and long-term housing is an urgent priority. Additionally, volunteers are needed to provide host homes, transport people from the airport, help settle people into apartments or assist with English language classes. Donations of household and other necessities, as well as cash donations are also needed.

Here are some committed organizations that are providing assistance, and all need volunteers and financial support.

The International Rescue Committee: This agency has a webpage with updated on-the-ground information, wish lists of items to purchase for "Welcome Kits" ([linked here](#)), and volunteer opportunities.

World Relief, Seattle: This agency is calling for volunteers and donations ([linked here](#)) and has information for the Afghan community as well as volunteers and partners.

The Lutheran Immigration and Refugee Service: This organization is seeking volunteers for airport pickups, mentoring, tutoring, and meal deliveries. They also need financial donations ([linked here](#)).

Jewish Family Services, Seattle: They have created an Amazon wish list for household items and other necessities ([linked here](#)). Other necessities. They are also looking for car seats and are accepting financial donations ([linked here](#)).

Afghan Health Initiative: This group provides access and support for physical and mental health services, as well as direct financial assistance to newly arrived refugees ([linked here](#))

Afghan American Community of Washington: This group provides religious, cultural and social support to the Afghan community while they are adapting to American society ([linked here](#)).

Miles4Migrants accepts donated airline frequent flyer miles, credit card points and cash to help people reunite with loved ones or resettle in a new country after fleeing their own country imperiled by war, persecution or disaster ([linked here](#)).

Join the Pastoral Care Team

Caring for one another is a core Unitarian practice, and the Cedars Pastoral Care Team is central to this ministry. We can offer a listening presence, connection, and hope to members of our Cedars community in times of need. We send cards, make phone calls, provide information resources and support family and friends who are caregivers.

The Team meets just once a month with our minister. We are now expanding the Team, and we would love to have you join us.

For more information about the Pastoral Care Team, please contact our office administrator, Carolyn Kerns at office@cedarsuuchurch.org.

In-Person Safety at Cedars

For Covid-19 protection, Cedars has implemented special safety practices during all in-person events until further notice.

Detailed information and instruction about these practices is available on the **Cedars website**, and the basic thinking about masking has been summarized in the illustrations at the bottom of this newsletter.

Pastoral Care Concerns

In discussion with the Pastoral Care Team, **Rev. Zackrie** confirmed that he would appreciate being informed if anyone in the Cedars community tests positive for Covid-19.

The information will remain confidential if the person so wishes, but Rev. Zackrie's awareness could help with contact tracing as well as determining what support and possible services could be offered by Pastoral Care Team members and perhaps the larger Cedars UU community as well.

Guidelines for using Cedars Center

The Cedars Board is making the following restrictions to reduce the risk of COVID-19 transmission to the few people who must enter the Cedars Center to keep us functioning.

1. Permission from staff or Board Member is required for entry.
2. Sign in when entering and sign out when leaving.
3. Use hand sanitizer when entering.
4. Wear a mask and practice social distancing.
5. Avoid touching your face.
6. Please disinfect high contact surfaces when you enter and before you leave: door handles, light switches, computer mouse and keyboard, desks, tabletops, countertops, sinks, toilet, and shared equipment such as pens, staplers, and clipboards.

Thank you for helping to keep us safe!
