With care, but also some comfort in the recognition that covid-related constraints on our activities are being relaxed as infection rates drop, our services in Webster Hall are beginning to enjoy the familiar accommodation and settings of our past presence there.

Our seating arrangements have evolved from six feet of separation between seat pairs or family groups, to three-foot separation of pairs or groups, and is now providing a mix of standard seating sections and spaced pairs allowing individuals to choose the arrangement they prefer as we return to the relatively familiar environment of our previous experience.

With caution, singing is now returning as an integral part of our worship services. Masks need to be worn while singing but can be taken off during the rest of the service (and during Coffee Hour). Free masks are available for anyone wanting to sing at church.

Your Cedars Board of Trustees

Cedars Special Collection for Our Children's Trust

Cedars holds a monthly Special Collection for

community outreach as a way to educate our congregation about the work of various non-profit organizations that reflect our values, and to channel our generosity in support of them.

For the month of April, the Social Justice Committee has chosen to collect money for **Our Children's Trust**, which is a 501(c)(3) organization that works to secure constitutional right to a safe climate.

All money donated in the **April 17th Sunday offering** will be used to advance science-based climate litigation on behalf of all children and future generations. For more information about this work, visit <https://www.ourchildrenstrust.org> and watch for details in the Beacon about our upcoming screening of **Youth v. Gov**.

If you would like to receive a tax deduction for your donation, please write a check payable to Our Children's Trust to place in the offering basket or send to the Cedars Church Office by

Rev. Zackrie Vinczen

From **April 15th-19th** I will be away from Cedars visiting with Elliott and friends near Lake Tahoe. During this time, I will not be checking email or phone messages, but will be eager to reconnect with all of you when I return to the office on April 20th.

If you find yourself in need of pastoral support during this time, please reach out to **Julie Hill**.

If you find yourself in need of other assistance, I'd encourage you to reach out to the Co-Presidents of our Board of Trustees **Kassia Sing** and **Mike Cox**.

Contact information for all three of these individuals can be found by accessing the Breeze directory.

I hope that you all have a wonderful Sunday Service on April 17th with **Emily Mockett** and **Penny Brewer**, and look forward to being back with all of you for our Earth Day service at Rotary Park on April 24th.

Sources of Our Faith: Spiritual Reflection Group

Currently open and continuing through May, the Cedars Community is invited

Film Screening

YOUTH v GOV is the story of America's youth taking on the world's most powerful government. Armed with a wealth of evidence, twenty-one courageous leaders filed a groundbreaking lawsuit against the U.S. government, asserting it has willfully acted over six decades to create the climate crisis, thus endangering their constitutional rights to life, liberty, and property. If these young people are successful, they will not only make history, they will change the future. As people of faith we care about climate justice for future generations.

Join Cedars Unitarian Universalist Church for a screening of **YOUTH v GOV**.

Where:

Eagle Harbor Congregational Church
105 Winslow Way West
Bainbridge Island, WA 98110

When:

Sunday May 1st, 2022 4:00pm-6:30pm

Earth Day: Save the Date!

Sunday April 24th 9:30 – 1:00 at Rotary Park on Bainbridge Island

Instead of meeting at Webster Hall, come join us for a short service at Rotary Park starting at 9:30 am followed by a service project sponsored by the Bainbridge Island Park District.

It will be a multi-generational event where we will be planting hundreds of wildflowers, pulling invasive weeds, dancing to live music, eating local fare, and getting creative with nature themed activities.

For a listing of all Earth Month related events go to the [Sustainable Bainbridge website](#). For more information on the Rotary event you can contact **Alison Stokes** at stokes0603@yahoo.com

to join Rev. Zackrie for a regular time of reflection on the sources of our Unitarian Universalist faith. This gathering will take place on zoom and is a time for participants to engage in thoughtful reflection on a variety of readings found in the

book "[Sources of Our Faith: Inspirational Readings](#)," written by Kathleen Rolenz.

Folks should feel free to attend one or all the sessions as your schedule permits. A complete schedule of this reflection group can be found below.

Saturdays @ 2pm on the following dates:

Parent Chalice Circle

Parents, Grandparents, and caregivers! You are warmly welcome to join this monthly circle where we share in the

questions and experiences of nurturing faith formation in our children and in our own lives.

We meet on the second Sunday of the month and utilize the UU Principles as touchstones and reference points for exploration.

Contact **Cory Munson** for more information.

Meeting this week:

Sunday April 10th at 7:00 p.m.

Film Fans Return

Returning for a new entertaining and hopefully enlightening season of movie viewing and discussion, Cedars members and friends who recently

reorganized themselves as **Film Fans** are continuing their monthly activities and welcoming participation by interested movie fans.

Group members typically view selected films on their own and then gather virtually to discuss, analyze, and interpret the month's selection. Film selections are proposed on a rotating basis by individual members who then lead the discussion sessions.

Membership Information Session

On **May 1st Rev. Zackrie and the Membership Committee** will be hosting a membership information session in The Island School library following our Sunday service. This is a chance for folks who have made a commitment to become members (as well as those still considering membership) to gather and learn a bit more about Cedars, Unitarian Universalism, each other, and what it means to be a member.

Lite refreshments will be provided as well as great conversation. We hope to see you there.

Disposable Mask Recycling

The Green Sanctuary Committee and the Social Justice Committee have teamed up to offer disposable mask recycling. Cedars has purchased a box through the Terracycle program in which we will collect disposable masks which will be sent to Terracycle where they will be taken apart and recycled. To read how the program works, click [here](#)

There is a bucket placed outside the Cedars church office and at the exit doors after services at the Island School. The buckets will then be brought into our office and masks placed in the Terracycle box. This is also being publicized on the local Zerowaste website. Tell your friends and help reduce waste created by the pandemic!

For more information, contact **Jane Martin** or **Carol Ann Davidson**.

Evans Reading Group

We invite you to join us on Tuesday April 19th at 1:30 p.m.

Seeking "Salvation by Bibliography" as our late friend Marvin Evans used to say, we

Discussion sessions using Zoom are typically scheduled to occur on the second Thursday of each month at 7:00 p.m.

Our April 14th selection, by Richard and Sally Wilson, is **Harold and Maude**, the 50-year-old classic comedy exploring not-so-funny topics such as life and death (especially their endings), cross-generational relationships (especially inspirational and softly romantic ones), and demonstratively useful (if unexpected) acting and motoring skills.

For more information contact **Joan Spencer** or **Linda Andrews**.

Super Supper Sign-Ups

Cedars, in partnership with Kol Shalom, offers Super Supper dinners on the last Tuesday of each month. Super suppers are a free meal for those in need provided by members of the Bainbridge Island Interfaith Council.

We now have a regular sign-up for you to use each month so that all in our congregation have a chance to participate. Please consider signing up for one or more slots [here](#).

Thank you so much for continuing to help our neighbors in need!

Please contact **Penny Brewer** or **Emily Mockett** for more information.

Pastoral Care

The Pastoral Care team is looking for volunteers to help support our community through times of need by preparing meals, providing phone companionship, or offering rides. As such we are putting out a call to the Cedars community to solicit names of people who are willing to help with these efforts.

If this is something you would be willing to assist with, please take a moment to fill out our [Pastoral Care Volunteer Interest Form](#).

In addition, if you find yourself in need of additional support or assistance we encourage you to take a moment to fill out the [Pastoral Care Request Form](#) to let our Pastoral Care team know how we can be of support.

For more information about this effort please contact Rev. Zackrie at minister@cedarsuuchurch.org

Pastoral Care Concerns

In discussion with the Pastoral Care Team, **Rev. Zackrie** confirmed that he would appreciate being informed if anyone in the Cedars community tests positive for Covid-19.

meet to discuss books that can intrigue and might enlighten us.

Our selection is ***American Sage - The Spiritual Teachings of Ralph Waldo Emerson***, the latest title by Cedars member **Barry Andrews** (who can also provide copies for sale).

A review summary: "Even during his lifetime, Ralph Waldo Emerson was called the Sage of Concord, a fitting title for this leader of the American Transcendentalist movement. Everything that he said and wrote directly addressed the conduct of life, and unsurprisingly, he sought to rescue spirituality from decay, eschewing dry preaching and rote rituals."

Barry has spent years studying Emerson, finding wisdom and guidance in his teachings and practices, and witnessing how the spiritual lives of others are enriched when they grasp the many meanings in his work. Based on scholarship grounded in historical detail, this enlightening book considers the nineteenth-century religious and intellectual crosscurrents that shaped Emerson's worldview to reveal how his spiritual teachings remain timeless and modern, universal and uniquely American.

We will discuss the book via Zoom (with Barry Andrews' invited participation) as follows: April 19, Chapters 11-13.

The sessions are on alternate Tuesdays and will begin at 1:30 p.m. For more information contact **Alan Miller** or **Mary Romeo**.

Cedars Creativity Fair 2022

See What Others Have Been Doing To Cope with Social Isolation

Our identity as a congregational community has been weakened by the COVID-19 pandemic, and one response has been to re-imagine virtual versions of the several after-service **Creativity Fairs** that were held in Webster Hall in recent years.

Organized to provide opportunities to see and enjoy artful products and demonstrations of the creativity present in our talented and capable congregation, those fairs helped us get to know and appreciate each other.

Please join the fun by sharing what you have been doing and enjoy the growing show using the link below!

Cedars Creativity Fair 2022

Richard Wilson is enjoying the memory of Spring's arrival just a few weeks ago.

The information will remain confidential if the person so wishes, but Rev. Zackrie's awareness could help with contact tracing as well as determining what support and possible services could be offered by Pastoral Care Team members and perhaps the larger Cedars UU community as well.

Carolyn's Corner

It's officially Spring! In June I'll celebrate one year of working at Cedars. I've been adjusting to a lot in the past year and as I get closer to the one year marker, I've been reflecting on how much my life has changed.

Working at Cedars not only provided me with a little income while I got settled here, but it also did the invaluable service of providing me with a sense of community and a feeling of purpose. Meeting you all and getting to know about Cedars and Unitarianism helped me feel connected at a time when I had little else to connect to. So thank you to you all!

On the subject of community, I feel very fortunate to work in an office with Rev Zackrie and Archer. They're such a pleasure to work with and they always brighten my day. If you've interacted with either of them even once, I'm sure you'll know what I'm talking about.

Happy Spring to you all!

Your Office Admin, Carolyn

Cedars Green Sanctuary: Film Viewing

Cedars Green Sanctuary is sharing an opportunity from Quimper UU Fellowship & Meaningful Movies Port Townsend to view the film "**The Story of Plastic.**"

"**The Story of Plastic**" is a searing exposé revealing the ugly truth behind plastic pollution and the false solution of plastic recycling. Different from every other plastic documentary you've seen, this film presents a cohesive timeline of how we got to our current global plastic pollution crisis and how the oil and gas industry has successfully manipulated the narrative around it. From the extraction of fossil fuels and plastic disposal to the global resistance fighting back, "The Story of Plastic" is a life-changing, Emmy-winning film depicting one of the world's most pressing environmental issues.
