Cedars Fundraising Committee

June Special Collection

Cedars holds a Special Collection monthly for community outreach as a way to educate our congregation about the work of various non-profit organizations that reflect our values and to channel our generosity in support of them.

On June 19th, in honor of Pride Month, the Social Justice Committee has chosen to collect money in addition to arts and craft supplies for LGBTQ+ Youth at Kingston Middle School and a Gay Straight Alliance club at Choice Academy.

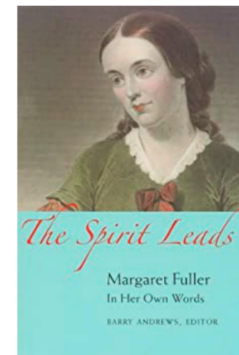

Both projects were started this school year by their school counselors, recognizing needs expressed by students. Both groups are student-driven and meet every other week.

When asked how we could support them, their counselors have suggested water bottles with positive logos for the high schoolers and arts & crafts materials for the middle schoolers.

Evans Reading Group

We invite you to join us on Tuesday July 12th (revised date) at 1:30 p.m.

Seeking "Salvation by Bibliography" as our late friend Marvin Evans used to say, we meet to discuss books that can intrigue and might enlighten us.

Writing by Transcendentalist Margaret Fuller was suggested as the group's next focus, and the collected work edited by Cedars' own Barry Andrews and published by the UUA's Skinner House as "**The Spirit Leads -- Margaret Fuller In Her Own Words**" was selected.

Presenting quotations from Margaret Fuller's letters, journals, and published writings preceded by a biographical introduction to Margaret Fuller's life and work, the quotations have been arranged in thematic sections inviting the reader to engage directly with the ideas of this nineteenth-century public intellectual, progressive social theorist, and pioneering feminist and to explore how her thoughts resonate today.

We will discuss the book via Zoom on July 12th. For more information contact **Alan Miller** or **Mary Romeo**.

Climate Change: Time for Action

Bainbridge Island is working to reduce greenhouse gas emissions 25% by 2025, and to help achieve this goal, the City of Bainbridge Island has launched the **BI Climate Smart Challenge** and you can help too!

We have scheduled two opportunities to come together to discuss the Challenge and how we as a congregation can work individually and collectively to reduce our carbon footprint.

Tuesday June 28th and Wednesday July 6th 7:00 pm - 8:00 pm

Zoom Link

Meeting ID: 929 048 2386

Phone if Needed: 253-215-8782

Prior to the meetings we are asking that you click on the link below and sign up for the Challenge. After you sign up you will be asked to answer several questions that will help you to determine your carbon footprint. You can then look at specific actions you can take to reduce that footprint.

All money donated in the Sunday offering on June 19th will benefit the LGBTQ+ youth groups of these schools. These gifts will be used to purchase water bottles with positive logos, arts and crafts supplies for meeting activities, and snacks for club meetings.

We also are collecting extra arts and crafts supplies that you have at home but no longer need. Items such as yarn, string, drawing and paint supplies, beads, etc. are welcome. We will have a box at services for donations on June 12th and 19th, in addition to the Cedars Office through the end of June.

For more information, contact **Patricia Erdmann**.

Safe Gatherings at Cedars

With care, but also some comfort in the recognition that covid-related constraints are being monitored for guidance in seating arrangement and separation, mask wearing, and room ventilation, we are continuing to seek the familiar accommodation and settings of our past presence in Webster Hall. Our seating arrangements have evolved from six feet of separation between seat pairs or family groups, to more flexible separation, and our service presence and participation will also now respond to safety guidelines released by COVIDactnow.org as follow: Kitsap County has seen an uptick in Covid spread and is now in the "Yellow" rating zone. This means that we request people mask when in groups and at Sunday Services. We know masking is one of the most effective protections for both you and others around you.

You can check the Kitsap County Health Department's tracking online at covidactnow.org or the CDC link at <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html> to track Kitsap County numbers.

Vaccinations are also proven ways to both avoid getting sick or to severely lessen the virulence of the virus. Our hearts go out to our community members who cannot get vaccines or boosters due to medical issues— all the more reason for the rest of us to practice safe behaviors to protect them, such as getting vaccinated and boosted if medically possible.

Let's not only talk-the-talk, let's walk-the-walk by what we say in unison on Sundays: let's "treat all people kindly because we are one family."

Pastoral Care

The Pastoral Care team is looking for volunteers to help support our community through times of need by preparing meals, providing phone companionship, or offering rides. As such we are putting out a call to the Cedars community to solicit names of people who are willing to help with these efforts.

If this is something you would be willing to assist with, please take a moment to fill out

intended as a valuable management resource for the Board, Minister, and congregation going forward.

The Manual was developed using input from many sources, including listening sessions the Board conducted during the Fall of 2021, many one-on-one conversations between Board and Cedars members, and information gathered during the Board's Belonging Initiative.

The Manual was the work of many people. An initial draft was developed by Herb Hethcote, John Wiens, and Richard Wilson after many hours discussing and refining a proposal. Subsequently, a Review Group consisting of Heidi Parkington-Thal, Tyler Weaver, Susan Shaffer, Robyn Teske, and Kassia Sing contributed further input.

Finally, the full Board conducted its own review before adopting the finished Personnel Policy Manual at the April 28th Board Meeting.

A few policies covered in the Manual include: 1) The Minister needs to consult with the Board prior to making any decisions regarding dismissing staff; 2) A new procedure for handling grievances; and 3) Avoiding possible favoritism or sense of favoritism if staff have a relationship with members.

The Manual is now available for reference in the By-Laws and Policies section of the Cedars Document Library, accessible through Breeze here.

Board members will be available after the June 19th service in The Island School Library if you have any questions for year-end, next year's budget or the new Personnel Policy Manual. Here is a [zoom link](#) for those that want to participate remotely.

Portland GA Coming

General Assembly is the annual gathering of Unitarian Universalists, where we conduct business of the Association, explore the theological underpinnings of our faith, and lean fully into our mission and principles.

That remains true even when we cannot gather physically. In 2021, more than 4,000 registered attendees participated from remote locations around the world. In 2022, we again have the option of meeting online or in-person!

For those who enjoyed the convenience and accessibility of remote participation, GA 2022 will again support virtual attendance with robust programming and enhanced delegate discussion tools. For those missing the physical experience, GA 2022 will also feature face-to-face interactions, hanging banners, a browsable exhibit hall, meals with friends old and new, local site attractions, and more!

Pastoral Care Concerns

In discussion with the Pastoral Care Team, **Rev. Zackrie** confirmed that he would appreciate being informed if anyone in the Cedars community tests positive for Covid-19.

The information will remain confidential if the person so wishes, but Rev. Zackrie's awareness could help with contact tracing as well as determining what support and possible services could be offered by Pastoral Care Team members and perhaps the larger Cedars UU community as well.

Super Supper Sign-Ups

Cedars, in partnership with Kol Shalom, offers Super Supper dinners on the last Tuesday of each month. Super suppers are a free meal for those in need provided by members of the Bainbridge Island Interfaith Council.

We now have a regular sign-up for you to use each month so that all in our congregation have a chance to participate. Please consider signing up for one or more slots [here](#).

Please contact **Penny Brewer** or **Emily Mockett** for more information.

UU Camp in the Pacific Northwest

The Eliot Institute holds four multi-day inter-generational camps each year for members and friends of Unitarian Universalist congregations at the Seaback Conference Center in the Pacific Northwest.

For three of Eliot's camps, there is a morning program on topics that range from spiritual growth, social justice, environmental issues, and the arts. Programs for youth and children run concurrently with the adult morning program. Afternoons and evenings are filled with traditional camp activities. Our fourth camp, Creative Arts Eliot, features workshops led by artists instead of a speaker.

Cedars Creativity Fair 2022

See What Others Have Been Doing To Cope with Social Isolation

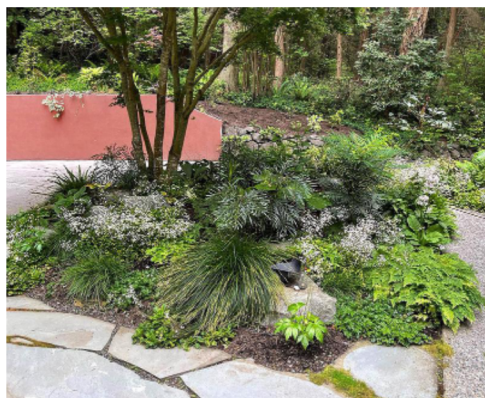

Our identity as a congregational community has been weakened by the Covid-19 pandemic, and one response has been to re-imagine virtual versions of the several after-service **Creativity Fairs** that were held in Webster Hall in recent years.

Organized to provide opportunities to see and enjoy artful products and demonstrations of the creativity present in our talented and capable congregation, those fairs helped us get to know and appreciate each other.

Please join the fun by sharing what you have been doing and enjoy the growing show using the link below!
