

**WELCOME to Worship at
Cedars Unitarian Universalist Church!**

Our Living Tradition draws from **six sources**:

Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life;

Words and deeds of prophetic women and men that challenge us to confront powers and structures of evil with justice, compassion, and the transforming power of love;

Wisdom from the world's religions, which inspires us in our ethical and spiritual life;

Jewish and Christian teachings, which call us to respond to God's love by loving our neighbors as ourselves;

Humanist teachings, which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit;

Spiritual teachings of earth-centered traditions, which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.

Theater has long been a means to share social critique on critical issues. In this service, we will have fun while considering an example of theater playing such a role.
