UUA Reviewing Principles and Purposes

For decades, the Unitarian Universalist Association has focused our efforts around the seven principles and six sources, as described in the UUA Bylaws Article II. Last updated in 1987, they are periodically reviewed to see if they continue to reflect who we are and encourage us to strive for a better world.

In 2017, discussions around adding an 8th principle focused on anti-racism began at General Assembly. This year a special commission is reviewing article 2, and have prepared a draft revision. This new revision does not use the seven or eight principle approach, but a different method of reflecting our values. You can learn more at this website:

Safe Gatherings at Cedars

Boosters are Still Cool

Moving into Fall, Kitsap County continues to be low for COVID-19 Community Transmission. What a relief to see that vaccines, personal protective measures and safe community norms have been so effective. Our own practices at Cedars have certainly contributed to protecting our community.

Kitsap has a very good Vaccination Rate of nearly 83%! People keeping up to date on their booster have not been so good, with only 42% obtaining their Booster Shot. Although I am in New Mexico, it was time for my Booster update (third one for me), so I headed to a local pharmacy. In addition to my COVID-19 booster, I also got my annual flu shot. I

Musical Notes

Much hard work and dedication goes into providing music for our Sunday Services. And each week we are grateful for those who make the music and lead us all in song. This week, we offer a special thanks to **Peter Spencer** for leading music this coming Sunday.

Our Thanksgiving Food Drive

Walking St. Olav's Way

Who was Saint Olav? Why is there a collection of "ways" in Norway and Sweden bearing his name? And why would anyone want to walk hundreds of miles to visit the place he is supposedly buried? After our Sunday service on December 11 please join Cedars member **Rod Kempkes** to explore these questions and enjoy a slide show about the 350 mile walk he took this summer with his daughter Erin and wife Carolyn, from Oslo to Trondheim along one of the many St. Olav's Ways pilgrimage routes from the middle ages.

Please come to our regular Sunday service on December the 11th if you can. Look for more about that service in next week's Beacon.

Rod's talk will begin around 11:15 am after the service in Webster Hall and go for about 30 minutes with plenty of time for questions and answers. All ages are invited to attend his family friendly presentation.

ideas, and events in engaging, fast-paced prose. He traces the generation that came of age after the ADA reshaped America, and how it is influencing the future.

A landmark literary anthology of poems, stories, and essays, **Choice Words** collects essential voices, from Amy Tan to Margaret Atwood and Ntozake Shange that renew our courage in the struggle to defend reproductive rights.

The **Body Becoming** that Robyn Henderson-Espinoza inhabits is a nonbinary body, a trans body, a body in two races—and a body continually in discovery. There is also a body on sojourn invested in experience, body understanding, and engagement in and for human thriving. Mixing memoir and faith, somatics theory and body practice, Henderson-Espinoza steers us through territory both familiar and difficult, as we discover embodiment as a place of wisdom.

Chalice Saplings

When: Dec. 11th, Dec. 18th

Chalice Saplings is a space for any children attending Sunday Service. Facilitated by Faith Formation Lead Archer Philip and volunteers, this time and space is where children can experience their own form of worship through activity-based learning. There will be a chalice lighting, check ins, and a different activity every session.

All facilitators of Chalice Saplings are vetted with a background check. If you are interested in having your child/children participate, there will be a form to fill out when you arrive on Sunday at the door. You may also contact **Archer Philip** at faith.formation@cedarsuuchurch.org for more information and a copy of the form.

Cedars Creativity Fair 2022

See What Others Have Been Doing

Our identity as a congregational community has been weakened by the COVID-19 pandemic, and one response has been to re-imagine virtual versions of the several after-service **Creativity Fairs** that were held in Webster Hall in recent years.

Organized to provide opportunities to see and enjoy artful products and demonstrations of the creativity present in our talented and capable congregation, those fairs helped us get to know and appreciate each other.

Please join the fun and enjoy the growing show using the link below! If you have something to share, send a photo and description to office@cedarsuuchurch.org.

Enjoying Time Together

The Gazzam Lake hike on November 27th was a grand success! We had a healthy group of twenty people and two dogs in attendance.

Excellent guide and Cedars member Christina Woolf offered naturalist expertise and showed us how to respectfully flip logs, and more importantly, how to put anything you flip back the way you found it. We also learned flora facts about the native species growing in the forest and had a blast admiring the different mosses and lichens of Gazzam Lake.

And a smaller group of us enjoyed some food, drink, and conversation together afterwards.

Pastoral Care

The Pastoral Care team is looking for people who can help with meals or rides for people needing an extra boost. Please take time to fill out the **Pastoral Care Volunteer Interest Form**. We are thankful to the many who have stepped up in the past few months to help.

In addition, if you find yourself in need of additional support or assistance we encourage you to take a moment to fill out the **Pastoral Care Request Form** to let our Pastoral Care team know how we can be of support.

For more information about this effort please contact **Rev. Zackrie** or send an email to pastoralcare@cedarsuuchurch.org.

Super Supper Sign-Ups

Cedars, in partnership with Kol Shalom, offers Super Supper dinners on the last Tuesday of each month. Super suppers are a free meal for those in need provided by members of the Bainbridge Island Interfaith Council.

We now have a regular sign-up for you to use each month so that all in our congregation have a chance to participate. Please consider signing up for one or more slots **here**.

This month's Super Supper is scheduled for **November 29**. Please contact **Penny Brewer** for more information.
