Michael Camp shares why many evangelicals today are deconstructing their faith and making some startling and beautiful discoveries. Based on his own experience as a "deconstructed" and ex-evangelical missionary, he shares why this is a welcome trend. You'll learn why it's having a positive spiritual impact on both our wider society and progressive faith communities like UUs.

News and Announcements

Social Justice Special Collection

Cedars holds a monthly Special Collection to educate our congregation about the work of various non-profit organizations that reflect our values, and to channel our generosity in support of them.

For the September 24th Special Collection, the Social Justice Committee has chosen to collect money for the **Rotary Club of Bainbridge Island's Uganda Well Project**. This project works with a local trusted contractor to drill borehole wells in rural villages in northern Uganda. Since 2003, a total of 194 wells have been drilled. New money raised now will go towards a 2024 goal of drilling three more wells.

If you would like to receive a tax deduction for your donation, please place a check in the offering basket with "Rotary Uganda Well Project" in the memo-line on September 24th, or send it to the Cedars Church Office by September 30th.

Cedars Outreach at Poulsbo Pride

Poulsbo will host their first Pride Event on September 24th from 11am to 6pm in Raab Park and Cedars will be there hosting an information booth and book exchange and that is where you can help.

In the spirit of roadside Free Little Libraries, we will set up a Free Mobile Library for everyone attending. Each book we give out will include information about Cedars UU Church, so people can find our congregation and join a Worship Service or other event. If you have extra books you would like to gift to people in the community, just drop them off at the Cedars Center office and we will include them in the giveaway.

I also encourage you to stop by the Pride event, because it will be fantastic. If you also want to help in the booth, just let me know.

Musical Notes

Much hard work and dedication goes into providing music for our Sunday services. And each week we are grateful for those willing to make music and lead us all in song.

This week we offer special thanks to **Nick Colletto** for music accompaniment.

Children's Faith Formation Needs You

An enthusiastic group of parents has begun planning children's programming. Program activities will be scheduled in the Island School library on selected Sunday mornings and the help of other adults will be welcomed.

Seeing an active children's Faith Formation effort getting off the ground again is exhilarating. To volunteer your assistance, please email Jeff Philip at president@cedarsuuchurch.org.

CROP HUNGER WALK

ENDING HUNGER ONE STEP AT A TIME

Cedars will be participating in the Bainbridge Island/North Kitsap CROP Hunger walk in October and we want you to walk with us! This event raises money to help hungry families around the world, educate communities in sustainable farming methods, and provide renewable sources of food. We participate in events like CROP Hunger Walk in service to the world and to help those in need.

Last year on a beautiful fall afternoon, Cedars participated in the walk with other congregations from the area. We had a group of eleven people participating, all wearing our Cedars shirts to put our values out for the community to see.

This year, the walk starts at Eagle Harbor Congregational Church at 2 pm on Sunday, October 1st.

To sign up for this year's event, just go to the CROP Hunger Walk Cedar's Team [website](#). From there you will be able to sign up to walk with Cedars or contribute if you cannot join us. The website includes information about the route that we will be walking. There will be accommodation for anyone who does not want to complete the full walk.

This event will also be the focus of the Sunday service Special Collection at Cedars on October 8.

Time for All Ages Volunteers

Are you looking for new ways to get involved, have fun, and make meaning? Is it time to spice up your church life? If so, then we have an opportunity for you.

The Worship Team is looking for people willing to lead games, tell jokes, and share stories during the Time for All Ages portion of our Sunday services. Whether you're a long time storyteller seeking an audience or brand new to public speaking, we have a place for you.

So, if you're ready to add a little humor and fun to our Sunday mornings, please reach out to **Rev. Zackrie**, and let him know that you're ready to make us laugh and create meaning. He can take it from there and help find a home for your talents.

Pastoral Care

The Pastoral Care team is looking for people who can help with meals or rides for people needing an extra boost. Please take time to fill out the **Pastoral Care Volunteer Interest Form**. We are thankful to the many who have stepped up in the past few months to help.

In addition, if you find yourself in need of additional support or assistance we encourage you to take a moment to fill out the **Pastoral Care Request Form** to let our Pastoral Care team know how we can be of support.

For more information about this effort please contact **Rev. Zackrie** or send an email to pastoralcare@cedarsuuchurch.org.

Safe Gatherings at Cedars

Based on the recent decision to no longer require masking in health care facilities in Washington State, the Board of Trustees has decided that Cedars will no longer ask people to mask up while singing at Sunday Services.

The Evans Reading Group is pleased to invite your participation in our practice of reading and discussing books that can intrigue and might enlighten us in seeking "Salvation by Bibliography" as our late friend Marvin Evans used to say.

We were pleased to see that 72% of respondents agreed to organize or co-organize an activity!

Responding to the survey findings, the committee will work to find opportunities for the congregation to be active in environmental and climate change activities, along with food insecurity, and we will focus our special collection activities on those same areas.

We will be in touch with those who agreed to organize or co-organize an activity, and look forward to broadening our circle of participants.

We will keep everyone informed of activities by publishing in the Beacon, announcements at services, and sending out occasional reminders of activities.

Please contact any of us with questions and suggestions.

Cedars Creativity Fair 2023

See What Others Have Been Doing

Our identity as a congregational community is strengthened by the activities and gatherings we enjoy together, as well as by the ways we can find to know each other better.

In past years we organized occasional Creativity Fairs to share individual interests and capabilities following Webster Hall services, and in response to the more recent pandemic we have

Our next selection is **Rational Mysticism --Spirituality Meets Science in the Search for Enlightenment**, by John Horgan.

How do trances, visions, prayer, satori, and other mystical experiences "work"? Is there a scientific explanation for religious mysteries and transcendent meditation? This book chronicles advanced research into the mechanics and meaning of mystical phenomena, exploring chemistry, neuroscience, psychology, anthropology, theology, and more, to narrow the gap between reason and mystical experience.

Join us for an interesting discussion via Zoom at 1:30 p.m. on Wednesday November 8th. If you would like to be on our email list, let **Mary Romeo** know.

Super Supper Sign-Ups

Cedars, in partnership with Kol Shalom, offers Super Supper dinners on the last Tuesday of each month.

Super suppers are a free meal for those in need provided by members of the Bainbridge Island Interfaith Council.

We now have a regular sign-up for you to use each month so that all in our congregation have a chance to participate. Please consider signing up for one or more slots **here**.

For more information contact **Mike Cox** at **206-799-3725** or toxman57@gmail.com.

Green Living Now

Journalist J.B. MacKinnon's recent book **The Day the World Stops Shopping** makes a convincing case that we all need to shop less now. Green

consumerism, in MacKinnon's telling, isn't just about buying ecologically-sound stuff or recycling our rubbish. It's about buying fewer things, leaving us with much less to recycle in the first place.

Organized to provide opportunities to see and enjoy artful products and demonstrations of the creativity present in our talented and capable congregation, those fairs helped us get to know and appreciate each other.

Continuing that sharing of individual interests and creativity, please join the fun and enjoy the growing show using the link below! If you have something to share, send a photo and description to office@cedarsuuchurch.org.

Climate Circle Conversations

In 2022, the Bainbridge Island/North Kitsap Interfaith Council (IFC) formed the **Climate Circle**, "to promote awareness of individual and shared actions to mitigate and adapt to climate change," with several Cedars members helping to organize the program, which currently has about twenty members from different congregations and faith traditions.

Next month, the Climate Circle is launching a month of climate conversations of various kinds and inviting participation. The goal of this initiative is **"to increase awareness of what individuals, congregations, and the whole community of faith organizations can do to address climate change."**

An open interfaith gathering called **Celebrating the Web of Life** will be the kickoff event, led and hosted by Climate Circle members. The gathering will be at Kol Shalom (9010 Miller Rd NE) on Wednesday October 4th at 7:00 p.m.
