**The Island School**

**Spring Equinox: What History Are We Making?**

**Rev. Rose Edington and Rev. Mel Hoover,  
Cedars Guest Ministers  
Nancy Philip, Worship Associate**

In the present, we can look back and see how the seeds of thoughts and actions — both positive and negative —planted back then are now part of our lives. We might have influenced someone or an event without even knowing it. What kinds of seeds that we plant now would we like to see blossom in the future?

Clergy couple **Mel Hoover and Rose Edington** are co-ministers Emeriti of the UU Congregation in Charleston, West Virginia. Retired from congregational ministry in 2014, they continue their ministries through **MelRose Ministries**, with a focus on creating **Beloved Community** that considers the intersections of racism, classism, sexism, and environmental justice. Wishing to be closer to their granddaughter (and her parents) prompted their move to Bellingham in 2020.

Childcare will be offered for this Service. Click [HERE](#) for details.

## A Message from Reverend Margo

### **The Revolutionary Act of Paying Attention**

It has been a hard couple of weeks for all of us, seeing what is happening in the Middle East and worrying about what else will follow. Placing the role of the governments to the side for a moment, let us focus on the civilians and those deployed. From shopkeepers to students and to the families of those in the military, we wish for a hastened **calm and peace**.

For more than a year, the current policies of our nation have kept us in a never-ending flux and increasing emotional and physical violence. While it is hard to face these realities each

day, let us know that we face them together and we have one another to lean on for support, kindness, care, and sanity. Support for one another is a light that this community does not take for granted.

The theme for March is "**Paying Attention**". It is a revolutionary act to pay attention when events in the world are painful and stark. While it is important to take breaks from the relentless news cycle, we can still respond by keeping vigil for those most impacted by our government's decisions and those in the Middle East.

I ask that we all pause to light a candle. Let us keep in our thoughts the injured who have been wounded emotionally and physically in the protests and attacks. Also, the rescuers, the first responders, and emergency workers are often the first at the scene. Let us send our care to all living in fear and uncertainty and in the path of harm's way.

**From Rosemary Wahtola Trommer "After"**

*On this day after my country bombed a girls' school across the world, part of me does not want to meet the day. But just after dawn, I wake to the relentless honking, honking of geese returning from far away to make a home again in our yard.*

*I want to rewrite yesterday so every girl who went to school also came home to her family, so every mother and father woke this morning knowing their child was safe in their bed.*

*I am so filled with horror – I don't know how to rise. But the great noise of the geese returning pulls me into the world to meet whatever the day brings. A goose, with her long black throat, proof that life goes on. Even when we can't imagine how. Even then.*

## News and Announcements

### Welcome to Nancy and Bill Dowey

Nancy and Bill Dowey met in Australia and have been happily married for 53 years. They moved to Bainbridge Island a year ago after living for many years beside a scenic lake in New Hampshire, where they enjoyed boating, kayaking, hiking, and skiing.

The Doweys have been **Unitarian Universalists for more than 40 years**, beginning when their children were born. Throughout their time in Bethesda, Maryland, and in Nashua and Bristol, New Hampshire, they were active in religious education programs, working with children of all ages—from early childhood through the **Coming of Age program**.

Nancy and Bill found Cedars soon after arriving on Bainbridge and were drawn to its commitment to **justice, environmental stewardship, spiritual growth, and lifelong learning**. Together, they love traveling, spending time outdoors, and connecting with friends and family. They are delighted to be part of the community.

### Cedars Ride Matching Survey

Sharing a ride with someone to our services on Sunday mornings at The Island School is a great way for us to help our neighbors, build community, and take care of the earth at the same time!

Please take a few seconds to answer two simple questions in the survey linked below, and our Cedars Care Team will try to match up folks who are willing to drive and folks who would appreciate a ride on Sunday mornings and live in the same area.

Once a potential match(es) has been identified and communicated to the drivers and those wanting rides, they will be responsible for working out the details with each other. You can also talk to **Susan Shaffer** about this effort to match up potential drivers and riders.

### Circle Suppers Are Returning to Cedars

Circle Suppers are a relaxed and welcoming way for our Cedars community to deepen connections. These are small gatherings of 6 to 10 people, typically hosted at a member's home (or at the Cedars office), where the table host provides the dining space and the main dish. Guests are asked to bring a side, an appetizer, a dessert, or beverages—and good conversation always follows.

We're launching our first Circle Supper night of 2026 on **Saturday, April 11**, and we're looking for 6–8 table hosts to make it possible. If you're willing to host, please let us know:

- How many guests can you comfortably seat
- Whether your table can accommodate children
- If you would prefer to use the Cedars Office Conference Room

Once guests sign up, you'll receive the list of those assigned to your table.

We hope you'll consider hosting and helping us create another evening of community and connection. Please get in touch with **LT** at [office@cedarsuuchurch.com](mailto:office@cedarsuuchurch.com) if interested and for more information.

## Community Events

**Indivisible Project:**  
**Bainbridge Island Says NO KINGS!**  
**Saturday, March 28**  
**9:00 pm - 11:00 am**  
**Starting at the Public Trail (Shepard Way & Grow Avenue) to arrive at Hwy 305 & Winslow Way**

★ We will WALK OUR TALK! ★

Join a Strong & Peaceful Sidewalk Procession through Winslow! The event will run from 9 am -11 am, and will involve a procession through town towards the ferry intersection. The timing and destination of Bainbridge's event are intended to enable people to also attend the big event in Seattle if they so choose.

On **March 28**, rise, take to the streets, and say it loud: **NO THRONES, NO CROWNS, NO KINGS**. We're not watching history happen—we're making it. Come to the event and bring your friends, your signs/symbols of resistance, your determination, your commitment to non-violence, and your love of democracy and the promise of what our country could and should be.

Be loud, be joyful, and be utterly undeniable as an ever-growing resistance movement. A core principle behind all **No Kings** events is a commitment to **nonviolent action**. We expect all participants to seek to de-escalate any potential confrontation with those who disagree with our values and to act lawfully at these events. Weapons of any kind, including those legally permitted, should not be brought to events.
