Befriending Impermanence

Jennifer Alviar, Cedars Guest Minister

Nancy Philip, Worship Associate

Impermanence is difficult for the mind to grasp and the heart to accept. Come join us as we co-create an earth mandala together. May this nature-based community art form guide us in the spiritual practice of letting go with more grace.

Rev. Jennifer Alviar is a Unitarian Universalist minister who designs rituals for healing and renewal in sacred and civic spaces. Her calling is to bring more intentionality to daily life by uplifting the simple, ordinary moments in the natural world with an eye toward beauty, wonder and awe.

Newer to Cedars Conversation

starting on Sunday May 3rd (directly after the service)

If you're newer to Cedars or simply want to learn more about Unitarian Universalism, you're invited to join our **Newer to Cedars Conversation**. This is an easy, friendly space to ask questions, meet others who are also getting connected, and enjoy light snacks.

These conversations are relaxed, fun, and usually run **30–45 minutes**, depending on how many of us gather. We'll be hosting them **every first Sunday of the month**, so there's always another chance to drop in.

Inauguration Ceremony of the Pacific Northwest Peace Pagoda

Saturday, May 23rd at 10:00 am

Ground Zero Nonviolent Action Center

16159 Clear Creek Rd., Poulsbo

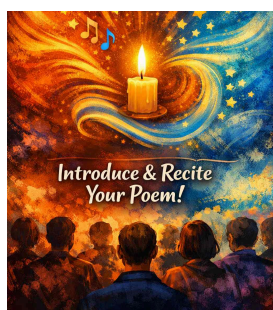

Cedars has been invited by the **Nipponzan Myohoji Buddhist order of Bainbridge Island** to have four (4) guests from Cedars attend the Inauguration Ceremony, **or Rakkei Shiki**, of the Peace Pagoda. **If you would like a chance to attend the ceremony, please submit your name to Reverend Margo (minister@cedarsuuchurch.org) or LT at the Cedars office by May 15.** Three names will be chosen from the submissions. Reverend Margo will be the fourth person attending.

Ground Zero Nonviolent Action Center has been in opposition to the stockpile of nuclear weapons at Bangor since 1977. Word of the protester's deep dedication reached peace activists around the world, including the **Venerable Fujii Guruji**, the founder and leader of the Nipponzan Myohoji Buddhist order. Guruji declared that Ground Zero should be the site of the first Nipponzan peace pagoda in the U.S. The peace pagoda is now completed at the foot of the Kitsap Naval Base at Bangor on the property at Ground Zero Nonviolent Action Center. It is now a place where all can gather to support peace for all humanity. Attendance at the May 23rd Inauguration Ceremony is **limited and by invitation only**.

Poetry readers needed for the Sunday, May 17th Poetry Service!

On May 17th, at the regular Sunday morning worship service, we will be sharing favorite selections of poetry. Reverend Margo needs **approximately 8-9 readers to sign up in advance**. You will choose a poem that is meaningful to you, submit the title and author to Reverend Margo ahead of time, and briefly introduce your poem before reciting.

Interested? [Contact Reverend Margo \(minister@cedarsuuchurch.org\)](mailto:minister@cedarsuuchurch.org) This is a wonderful opportunity for us to get to know one another better when our interests are revealed through the poem we choose.

Explore the Major Religions of the World Extended for Three More Sessions

Sundays, April 26, May 17, and May 31

11:30am–1:00pm (right after Service)

The Island School (bring a bag lunch)

Alan Miller and David Thomas have generously offered to continue exploring the world's great religious traditions through both history and lived experience. Alan is a retired professor of comparative religion, and David is a retired epidemiologist who has traveled the world and experienced many cultures and religious traditions.

Together we'll look at 3 more religions:

- [Confucianism \(reading can be found at this link\)](#)
- Daoism
- Shinto

Each session focuses on one tradition and blends:

- ✦ Short readings (about 10 pages)
- ✦ Helpful historical and textual insights (Alan)
- ✦ Observations from world travel (David)
- ✦ Conversation and Q&A

Whether you're seeking a deeper understanding of global faiths, curious about how religion shapes culture, or simply enjoy learning in community, this course offers a thoughtful and engaging doorway in. All are welcome — no prior knowledge required!

Board News

Rev. Margo's Contract Extended

The Board of Trustees is extremely pleased to announce that Rev. Margo has agreed to extend her half-time contract ministry with Cedars for the upcoming 2026-2027 church year. We are happy to be able to continue our work with Rev. Margo in serving our Cedars community. The **new and returning Board members taking office on July 1**, will work with Rev. Margo to set goals and objectives for our shared ministry together in the coming year.

2026-2027 Pledge Drive Update

This year's pledge drive is off to a great start! The Board wishes to thank everyone who has submitted their pledges for the 2026-2027 fiscal year so far. In order for the Board to prepare a proposed budget for the upcoming year to be presented at **the annual congregational meeting on June 7**, we are asking every member to please submit their pledge by Saturday, April 25. This will allow the Board to have a good understanding of our projected income as we balance that with the goals of best serving our Cedars community.

The Board also wishes to thank everyone who attended the Stewardship reception at Prue's House in the Grand Forest on Bainbridge Island on April 18th! It was a great day in the sunshine with good friends, food, and fellowship!

If you did not receive a pledge form in the mail and would like to make a pledge to support our Cedars community, you can make a pledge by [clicking HERE](#).

[View Pledge Form Here](#)

Hold the Date!

Our **Annual Congregational Meeting will be on June 7th** directly after the service. All Members and Friends are welcome to attend; however only members may vote. We will be voting on the **2026-2027 budget**, as well as new Board and Nominating Committee members. It is very important that we have a quorum at this meeting so that the votes are valid. **We need at least 30% of our members to attend.** Therefore, we want as many members attending as possible.

Awakening Curiosity: Keep Chasing the Questions

Rev. Margo Rinehart, Cedars Minister

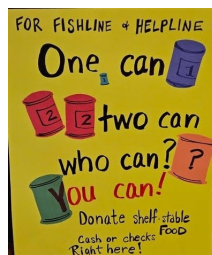

Liz Motter, Worship Associate

The poet Rilke tells us not to seek the answers to our questions, rather to live everything, to live the questions now. In this service we will explore how holy curiosity helps us engage our underlying beliefs and yearnings, and the tangles that long to be unknotted in the search for meaning in our lives and wider world.

Reverend Margo Rinehart serves Cedars by welcoming people from diverse theological and religious backgrounds and spiritual beliefs on their journeys to learn from one another, search for truth, and answer the call of love and justice.

Social Action

CEDARS Presents: YOU CAN!

Here at Cedars we help support over 1,000 families who shop at Fishline (736 families) and/or at Helpline House (325 families) once a week in order to have enough food. Every can of beans, box of cereal or bag of flour we contribute is gratefully received by food bank clients. Just think what we could provide if we each brought just one item each week to church!

Please get in touch with **Nancy Dowey** or **Patricia Erdmann** with questions.

Super Suppers Volunteers:

Super Appreciated!

We have a great team serving Super Suppers each month to an appreciative group of Islanders. For many years, we have teamed up with Kol Shalom to provide this much-needed service on the last Tuesday of the month, at Eagle Harbor Congregational Church in Winslow. However, we need more volunteers!

- to bring side dishes and help with set-up, serving, and cleanup
- or help warm up the premade main dish, set up, and serve.

We provide side dishes or prepare the main dishes on alternating months. [You can sign up for one or more slots using this link](#), whatever works for you, and your help will be SUPER APPRECIATED! Our next opportunity is **April 28**.

A World Appears: A Journey into Consciousness

by Michael Pollan

When it comes to the phenomenon that is consciousness, there is one-point scientists, philosophers, and researchers can all agree on with a level of certainty: that it feels like something to be ourselves. And yet, the fact that each and every one of us has a subjective experience of the world continues to be one of the greatest mysteries in nature. How is it that our mental operations are accompanied by feelings, thoughts, and a sense of self? What would studying the idea of an inner life even look like, considering we have as little distance and perspective on it as fish do of the sea? What began for Michael Pollan as a startling awareness of his own consciousness soon evolved into a greater fascination with this strange and elusive phenomenon.

In A WORLD APPEARS, Pollan traces the unmapped continent that is consciousness via several radically different perspectives—scientific, philosophical, spiritual, historical, and psychedelic—to see what each has to teach us about this central kernel of our lives.

More About Cedars

Cedars Ride Matching Survey

Sharing a ride with someone to our services on Sunday mornings at The Island School is a great way for us to help our neighbors, build community, and take care of the earth at the same time!

Please take a few seconds to answer two simple questions in the survey linked below, and our Cedars Care Team will try to match up folks who are willing to drive and folks who would appreciate a ride on Sunday mornings and live in the same area.

Once a potential match(es) has been identified and communicated to the drivers and those wanting rides, they will be responsible for working out the details with each other. You can also talk to **Susan Shaffer** about this effort to match up potential drivers and riders.
